

## EIEIO Cuvee I Pinot Noir 2012

'I' ndicative of the great 2012 vintage. Intellectually satisfying, sleek & polished, seamless and accessible. This has always been the bottling that is a representation of my best interpretation of the vintage, and every year I feel like a new adjective can be added to the Cuvees. In this vintage, the Cuvee I exemplifies a wine which is intellectually satisfying. This is not to imply that this wine requires, or worse demands your attention, but rather causes pause to reflect upon what it is that you are experiencing.

The initial aromatics are of fresh red plums followed by chocolate covered blueberries and raisins, but as the wine has time to open up it shows more blackberry aromas. Entry is supple with a sneaky acidity similar to burnt orange peel and roasted plum that elevates the darker, burnt caramel or crème brulee flavors. Undoubtedly, the Cuvee I is the most approachable and accessible of my 2012s with good length, density and sweetness. The wine is sleek and polished with an ease and seamlessness to its beauty.
