

## EIEIO Pinot Noir Yates Conwill Vineyard 2012 Technical Information

This vineyard is proving to be a great site for me with both the Chardonnay and the Pinot as I have worked with this site since the 2008 vintage. Farmed by Results Partners to perfection, or as quoted in the Wine Advocate "like a Bonsai garden", this southwest-facing site just west of Carlton is well loved.

Fruit Source:	Yates Conwill Vineyard
American Viticultural Area:	Willamette Valley
Sub AVA:	Yamhill Carlton
