

EIEIO Pinot Noir Yates Conwill Vineyard 2012

A fastidiously farmed vineyard just to the west of my place, adjacent to the Resonance Vineyard. This is the only true “field blend” of Pinot noir variants I receive. A picking bin from each block is reserved for me to ferment as this site is very similar to my southwest-facing site in its elevation, exposure and soil type. A good indication of what will be grown on the EIEIO & Company Estate site soon.
